

# Rev Up Your Online Presence

## with Our Managed Service Plans

Over 1/3 of automotive dealers in the United States use Reputation, the most trusted online reputation management solution.

We set the standard for online reputation management. The combination of our patented, state-of-the art technology platform and managed services will better enable you to attract and engage customers, drive traffic, and increase revenue.

### Turbo

Includes Reputation exclusive features like our SMS Text Messaging Mobile App and Google Organic Search Accelerator. We also provide social media publishing and 100% review responding, as well as enhanced analytics and reporting that you can't get anywhere else.

### Supercharged

Only Reputation can help you enhance your Google AdWords campaigns with our Paid Search Accelerator. Take your social media presence and activity to the next level with features like page optimization and boosted Facebook posts. Keep yourself on track throughout the year with our Quarterly Performance Review bonus feature.

### Nitro

Optimize your advertising efforts with a Digital Advertising Advisor. Other enhanced features include review responding and social media posts in Spanish, Facebook job postings and social activity management.

# 90%

of consumers use online reviews to decide where to take their business

(Source: J.D. Power)

# 50%

of "near me" searches lead to a store visit within 24 hours

(Source: Google)

# 17%

Google Seller Ratings enhanced ads deliver up to 17% higher click-through rates
